4. (Confidential - DFM) INTELLIGENCE BRIEFING Accompanied [REDACTED] to brief Clark McFadden, Counsel, Senate Armed Services Committee. McFadden had asked for an explanation of an article in the 27 August NID regarding a possible Soviet SALT violation. [REDACTED] explained the uncertainties regarding the possible violation, which satisfied McFadden. However, McFadden was very concerned about the misleading headline of the article because of the current political sensitivities of the SALT talks. McFadden asked for the 27 August NID again tomorrow so he could discuss the problem with Senator John Stennis (D., Miss.). [REDACTED] has been advised.
